

Surgical/Anesthetic Consent Form 380 West Animal Hospital PC

Your pet's care and health is most important to us. Fortunately, advances in anesthesia, testing and monitoring have made routine procedures relatively safe. However, occasional problems do occur due to Pre-Existing Conditions that may not be evident on physical exam.

To minimize these risks we, at **380 West Animal Hospital P.C.**, recommend your pet be screened before surgery or anesthesia. With in-house analyzers we can screen your pet in less than 1 hour in most cases.

- PreAn I - (<1yr.) **\$55**
CBC – Red /White Blood count
BUN/CREA – Kidney ALT – Liver

- PreAn II (1-7 yr.) **\$65**
PreAn I Plus: ALP – Liver
Glucose – Diabetes TP – Protein

- PreAn III (>7 or illness) **\$80**
PreAn II Plus: ALB/GLOB – Proteins/inflamm.
Calcium - Some Cancers Amylase - Pancreas
Cholesterol Phosphorous T. Bilirubin

DECLINE - The risks associated with anesthesia and surgery have been adequately explained, and I agree to hold **380 West Animal Hospital PC** harmless, in the absence of negligence, in the event of anesthetic, surgical, or medical complications that could have been detected by this procedure.

YES - My DOG is due for a 4DX -tests for Heartworms and tick diseases. **\$30**

YES - My CAT is due for a Leukemia and FIV test. **\$39**

Procedure _____

Pet Name _____ Contact # _____

Signature _____ Date ____ / ____ / ____

We at **380 West Animal Hospital** strongly believe in **Pain Management**. If we feel that your pet is in pain and needs extra pain medication we **DO** **DO NOT** have permission to treat them accordingly. This may incur an additional charge of \$15-\$30 (relative to weight) which in most cases includes pain meds to take home.
